**2009 WORLD CHAMPIONSHIPS  
LIGNANO SABBIADORO - ITALY**  
23/29 NOVEMBER 2009

**WAKO President Mr. Ennio Falsoni's  
OFFICIAL INVITATION  
TO ALL WAKO MEMBERS**

Dear Friends,

Following my previous mails announcing the cancellation of our scheduled World Championships in Nantes (France) due to heavy flooding, I am now very pleased to confirm you that Italy will host them exactly in the same dates, from 23<sup>rd</sup> to 29<sup>th</sup> November 2009. I am personally engaged in such a promotion and I went personally to supervise the new venue hosting our next event. I am really very very pleased to confirm you that it's a brand new sport-hall, not very big, but fully equipped with everything we need to have a very nice competition. The sport-hall has also large spaces for training and warming up, to run there our international referee seminars, coach meetings, weigh-in etc. The sport-hall will be the Headquarters of our 2009 World Championships in Semi, Full Contact, Musical Forms and Aero-kickboxing. The venue I have chosen is inside a great sport-village, something I had never seen before in my country. It's exactly in LIGNANO SABBIADORO, in the North of Italy, in the Friuli region. Lignano Sabbiadoro is particularly full of life during the summer season, having beautiful long sandy beaches and logically in November it will be out of season. But it will still be a town of 15.000 people, close to much bigger and historical towns like Trieste or Udine which are just 30/40 minutes drive. Italy has a long tradition in promoting international events, and even if I was obliged to promote our next World Championships in a very short time, I can guarantee you that my Federation and my people will do their best to offer you all a memorable event. At least, that's my hope. I got the support of Friuli Region's president Mr. Renzo Tondo, who is a friend of mine, of all the sport-councillors of the area (Municipality, Province and of Friuli Region) and thanks to their help I have no doubt that our next World Championships will be a success. As everybody knows, they are extremely important for those fighters who dream to go to Beijing in 2010 for the first WORLD COMBAT SPORTS GAMES, under the patronage of SPORTACCORD. The Lignano Sabbiadoro's Championships are a MUST to qualify for Beijing, so, please, never forget that and don't miss them! In the next few pages there is all information you need in order to make your reservations, book your flights, enter your competitors in our Championships.

Hoping in your understanding and support, and looking forward to seeing you soon again in Italy, best regards.

Ennio Falsoni

**2009 WORLD CHAMPIONSHIPS  
LIGNANO SABBIAORO - ITALY**  
23/29 NOVEMBER 2009

**Ge Tur Village, Lignano Sabbiadoro (UD)**

The modern sporting fittings, all under CONI norms, situated among the green of a splendid pineta of 60 hectares, behind a beach of 1 Km and a half reserved to the guests of the center, make the tourist Village-sporting Efa-GeTur the ideal place for sporting withdrawals and great demonstrations or tournaments to national, European or international level. The proximity of the fittings, the notable receptive capacity (up to 2500 places in the 13 houses of reception) make the Village a center of primary importance in the context of the sporting tourism in these last years.

Surrounded by a pine forest, the village offers many sporting facilities including swimming pools, football pitches, tennis and volleyball courts.

Teams will train at the beautiful indoor stadium, a modern sporting structure with 1000 m<sup>2</sup> of tatamis and place for two rings.  
There is also possibility of access to an olympic swimming pool, a fitness gym as well as a number of pitches and a large sandy beach for training.

Teams will have a choice of single, twin and triple rooms located within the village.

All rooms have modern furnishings, TV sets and private bathrooms.

At the village and also inside the sport hall the **wireless connection** is available.

The GeTur Village boasts excellent training facilities and accommodation. Also, as the village is self contained, it is probably one of the safest environments you could wish to train.

### ***Other places to visit around the Village***

#### **Trieste City**

This is border country, with the Adriatic on one side and a stark karst promontory on the other. The land is characterised by the scents and colours of the Mediterranean maquis, intensified by the bracing air of the Bora wind. Trieste is a place that seems to embrace the sea, or rather, to welcome the sea into the heart of the city. Great literary figures such as James Joyce, Italo Svevo and Umberto Saba drew inspiration. Piazza dell'Unità is one of the loveliest and biggest sea-front city squares in the world.

**2009 WORLD CHAMPIONSHIPS  
LIGNANO SABBIAORO - ITALY  
23/29 NOVEMBER 2009**

### **The surrounding area**

The coastline is characterised by **white cliffs and rocks**, with little bays and footpaths through the Mediterranean vegetation. **Miramare** and **Duino** have **castles** directly on the sea front. The karst promontory, as well as having unmistakable colours, traditions and flavours, also has a number of unique natural attractions, such as the **Grotta Gigante**, the biggest cave visitable by tourists in the world. **Nature reserves** include the **Miramare** sea reserve, the cliff area of **Duino**, **Val Rosandra**, and the **Lanaro** and **Orsario** mountains. The picturesque Istrian-Venetian town **Muggia** is known for its artistic treasures and excellent cooking.

### **Udine City**

Looking at Udine, Friuli's capital city, from the hills where the historic castle stands, to the north you see the red roofs of the city and beyond to the crests of the hills and mountains that protect it, whereas to the south, less than an hour's drive away, there is the Adriatic Sea. In the 17th century Giambattista Tiepolo reached the height of his artistic maturity in this city. His works can now be viewed in **the Tiepolo Galleries** (Palazzo Patriarcale), the cathedral and the church of the Purità. The series of old, brightly coloured, portico-lined piazzas between Piazza Libertà, "the most beautiful Venetian piazza on the mainland" and Piazza Matteotti (or Piazza delle Erbe) have all the atmosphere of an open-air sitting room, and are the very essence of the city.

**For those who would like to visit Udine, Trieste and surroundings at the Ge.Tur.**

**Village a travel agency will be at your disposal for any sightseeing tour.**

The hosts of the **2009 LIGNANO SABBIADORO WAKO WORLD CHAMPIONSHIPS** greatly appreciate your interest, presence and co-operation in making this Event a successful and meaningful experience for all participants involved. The average participant in this Event is well mannered, well disciplined and very co-operative. #### **DAMAGE TO PLAYING SITES**

Should damage occur at any site by a player, coach, chaperon, or even a competitor's parent the team responsible will be charged for the damages and the participant from this team will not be admitted to any Wako Championships. If the responsible individual/team cannot be determined then all teams participating at the site during the occurrence will be sanctioned from future Wako Championships. We feel it is the responsibility of all teams, competitors, coaches, and families to ensure that the site is free of any problems and damages. In addition the area of the arena your team occupies is to be free of trash when you leave your
